Woodies Demo

Richard Knight demonstrated some of the techniques he uses to produce his range of rustic furniture using mostly hand tools. The mallet he produced is now in use around the Shed.

A well sharpened tool in the hands of a craftsman is a pleasure to watch!

Around The Shed This Month

John Holland received a pleasant surprise to find his name emblazoned on the new Slabbing Bandsaw.

Dave Banister used up some creative juices to produce these two beautiful Hall Tables for his family.

Last Year we had a young lady member called Katie Brooker. She became very keen on her woodworking and when with us constructed a mailbox. She has moved to Cobargo NSW and sent this photo to show that BRWG Woodies products are proudly displayed in NSW.

Congratulations

To the team at Spicers Clovelly Estate
for their 2 wins at the
Queensland Good Food Guide 2012 Awards

The Long Apron were proud winners of
Regional Restaurant of the Year
and awarded 2 Chefs hats

Maintenance Report from**Brian Harris****July 2012**

- 13/6 1442 Lathe – New drive belt fitted.
- 19/6 Dust Extractor - Vibration of the dust extractor was investigated and it was found that a cloth sucked through the system had been caught on one of the impeller blades causing an imbalance and hence vibration.
- 23/6 Hammer Saw - Several thin offcuts of wood had blocked the suction pipe and sawdust was filling the cabinet. All was cleared and a resharpened blade was fitted.
- 2/7 1236 Lathe - A new tailstock screw was fitted as the former had been damaged by over tightening.
- ½" Band Saw - New bands were fitted to wheels as former had been damaged by over tightening of the blade. On inspection of the lower wheel one of the spokes was found to be cracked. This was removed and is in the process of being repaired.
- 14/7 Small Bench Drill Press - Return spring broken, a replacement spring will be fitted.
- Makita 9¼" Circular Saw - A new blade fitted as the original had 5 teeth missing.

+++++

Woodies Events in 2012:

- ◇ Santa Shop at St Mary Hall Montville 1+ 2 Dec
- ◇ Christmas Party at the Shed Sat 15 Dec

BRWG Meeting Schedule 2012

- ◆ Meetings start at 9:30am.
- ◆ Quarterly General meetings are held on the second Saturday of November, February, May and August.
- ◆ Management Committee meetings are held on the second Saturday of each month.

2012	August 11	General
	August 25	AGM

**Safety Advice**

Dust is dangerous!

As we move around the shed, keeping our eyes open for safety hazards, we often notice members working without regard to the dust they are making.

This is particularly so around the saw tables and the sanding areas.

Please be aware of dust if you are creating it - other members in the vicinity may be effected as well as yourself and we must care for each other in matters of safety.

If you are using a portable sander, please get an extension lead, take the job outside and wear a mask - masks are cheap and available for sale in the meeting room - or bring your own.

At the saw tables - if you become aware of any dust being created, stop the saw, switch off, pull the plug, and check to see that the suction outlet and the hose are clear. If they are - reconnect and do a quick check of other machines and close any suction vents that are not being used, this will increase suction to assist in dust removal at the table you are using. Anyway, use a mask yourself and make others close by aware if you cannot help making more dust.

At the lathes - Please make sure that the suction inlet is adjusted to be as close to the work as possible, leaving a suitable safety clearance, and don't forget to ensure that the suction vent is open. When sanding, try to hold the sandpaper in a safe position which will direct the dust toward the suction inlet.

Dave Banister and Warne Wilson, Safety officers.

What Can YOU Do With A 4 x 2 ?

This is what was achieved last year by some of our members.

Its simple.....

Take one piece of 100mm x 50mm x 2400mm Clear Bunya Pine and turn it into one item (or a group of related items—eg Chess Set)

Judging will take place at our Santa Shop at Montville on Dec. 1st 2012.

Points will be awarded for Creativity, Design, Workmanship and Efficient use of the timber.

The entry fee is \$20 to cover the cost of the timber.

First prize is a 12 month subscription to Australian Wood Review.

All you do is pay the entry fee and register at the Shed, grab your piece of 4x2, then get creating.

For more ideas here are a couple of other clubs that run the competition.

As the coffin was being lowered into the ground at a Parking Officer's funeral a voice from inside screams: "I'm not dead, I'm not dead! Let me out!!!"

The Vicar smiles, leans forward sucking air through his teeth and mutters:

"Too late pal, the paperwork's already done"
